

TRAVELING THE GLOBE JUST GOT EASIER.

Pass through the passport processing lines even faster when you enroll in the Global Entry™ program.

U.S. Customs and Border Protection (CBP) has taken significant steps to expedite the international arrivals process. With the introduction of the Global Entry™ program, enrolled customers may bypass the regular passport control queue and proceed directly to the Global Entry™ kiosk for inspection. The program is currently available at Continental's hubs at Houston's George Bush Intercontinental Airport (IAH) and Newark Liberty International Airport (EWR), and several other Star Alliance hubs.

Individuals must be at least 14 years of age and U. S. citizens, U.S. Lawful Permanent, or citizens of certain other countries to apply for Global Entry™.

To apply for Global Entry™ for your employees/customers, just follow these steps:

1. Complete and submit the online Global Entry™ application at <https://goes-app.cbp.dhs.gov>.
2. Pay a nonrefundable \$100 processing fee per applicant. If approved, membership is valid for 5 years.
3. CBP will review the applicant's information and once approved, schedule a brief, in-person interview at an Enrollment Center.

The Enrollment Center is open at New York/Newark (EWR) and at Houston (IAH) seven days a week. For more information on Enrollment Center hours and locations, visit www.globalentry.gov. For convenience of companies with multiple employees applying for the program, a mobile Enrollment Center will visit the office location to finish the enrollment process of all employees right on site.
